

HYDRAULIC DRUM HANDLER

**WITH UNIVERSAL GRIP & ADJUSTABLE
SUPPORT BY GLOBAL INDUSTRIAL™**

**Easily lift and transport 30, 55, & 85-gallon drums
with this Global Industrial™ Hydraulic Drum Handler.**

Made from durable steel, this unit easily grabs, lifts, and moves drums from start to finish. It features a spring-loaded universal grip that is compatible with steel, poly, or fiber drums and has an adjustable support that keeps the drum in the upright position for safe handling. Ideal for use in warehouses and other industrial facilities, this Hydraulic Drum Handler is your solution for safely and efficiently transporting drum barrels.

MADE TO EXCEED.[®]
